# Strategic Goal 3: Increasing the Profile of the AHP Public Health Role

- We will initiate a series of recorded webinars chaired by the Chief Allied Health Professions Officer through which we will highlight a range of AHP interventions and approaches being utilised across Scotland.
- 6 webinars will be available annually across each of the six Public Health Scotland priorities. These webinars will feature AHP leaders working across all settings and will reflect both local and national work with opportunity for wider collaboration and engagement across the Health and Social Care system to support AHPs in raising their profile.

# Priorities

- *Priority 1 A Scotland where we live in vibrant, healthy and safe places and communities*
- Priority 2 A Scotland where we flourish in our early years
- Priority 3 A Scotland where we have good mental wellbeing
- Priority 4 A Scotland where we reduce the use of and harm from alcohol, tobacco and other drugs
- Priority 5 A Scotland where we have a sustainable, inclusive economy with equality of outcomes for all
- Priority 6 A Scotland where we eat well, have a healthy weight and are physically active
