10TH PODIATRIC SPORTS MEDICINE CONFERENCE

CELEBRATING THE 10TH ANNIVERSARY OF PODIATRIC SPORTS MEDICINE

THURSDAY 8TH - FRIDAY 9TH DECEMBER 2022

THE ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF GLASGOW

INFORMATION

The 10th Podiatric Sports Medicine Conference is in collaboration and association with the British Association of Sports and Exercise Medicine (BASEM), the Royal College of Podiatry and the Royal College of Physicians and Surgeons of Glasgow.

The clinical and scientific programme topics will include:

- Interventions in podiatric sports medicine
- Injections, laser therapy, manipulations, taping and biologic therapy
- Introduction to ultrasound scanning
- Phlebotomy and cannulation
- Pitch side care and medical emergency

This year also marks the 10th anniversary of podiatric sports medicine with the foundation stone laid by Professor Nat Padhiar after the London 2012 Olympic and Paralympic Games. In the same year, the first sports medicine conference for podiatrists was organised in London by Maire Murphy and Steven Childs of the London branch of the Royal College of Podiatry.

A celebratory dinner will take place on Thursday 8th December, which all delegates are welcome to join.

The conference will be fun, educational, multidisciplinary, social and an opportunity to network.

We look forward to welcoming you to Glasgow!

Endorsed by
